

Judges Workshop 2018

Have you stood beside a Show Ring watching the Dairy Judging progress and thought “*I could do that!*” – well here is your chance to fulfil a dream.

Why not come along to the EGCS Judges Workshop 2018 to be held on Wednesday 4th April 2018 at Model Farm, Kimcote, Lutterworth, LE17 5RT by kind permission of Alan and Rebecca Thomas and family.

The day which is intended to encourage new judges to join the existing Panel of Judges and to enable existing Judges to keep up to date with the requirements of the modern Guernsey cow, will also include a herd visit of the 130 acre Council holding with its 250 head milking herd, mainly Holstein but incorporating, at present, between 30-40 head of Kimcote Guernseys. Also, well in excess of 250 head of youngstock from both breeds, mostly housed off farm. To add a touch of Spring also see the flock of Charolais sheep.

There is B& B accommodation nearby so why not make a welcome break of it for a few days, enjoying the lush, open countryside that Leicestershire has to offer.

We look forward to seeing new faces wishing to join the existing team of Judges and would remind those already on the Judges Panel 2017 that it is imperative that they attend Workshops to fine tune their art of judging, giving reasons and producing a Judge’s report in a very competitive world.
